It lends itself to that in many ways, three big bedrooms, each has its own en-suite, upstairs sitting area with two hideaway bedrooms off of it. Massive kitchen dining area featuring white cabinetry and more than a few feet of granite counter tops. From the main floor area there is a very impressive winding staircase which leads to the upper sitting room and hideaway bedrooms. Lets check out the yard and out buildings, 25x23 garage an oversized garage 29 x 43 and a quonset 40 x 60 that is divided into two parts. The front larger area could be utilized as a recreation area or whatever suited your needs. and a living quarters in the back, currently it is occupied. Beautiful grounds including two ponds (one pond has trout in). Flowers and more flowers in season, walking paths a small cabin near the pond, this is serenity at its best.
