Step inside and instantly feel at home as you're greeted by a spacious foyer filled with tons of natural light. The front of the home offers a cozy and private flex room, ideal for an office, den, or library, complete with gorgeous floor-to-ceiling built-in bookshelves. The main floor flows seamlessly in an open-concept design that is as beautiful as it is functional. The kitchen opens to a lovely dining area and a spacious living room, featuring a floor-to-ceiling stacked stone fireplace with a gas insert for those cooler months. Completing the main floor is a handy laundry/mudroom and a convenient 2-piece powder room.

Upstairs, you'll find a large bonus room that will quickly become the heart of your home, perfect for movie nights, playtime, or a

homework hangout. The 3 bedrooms include a spacious primary suite you'll adore, complete with a luxurious 5-piece spa-like ensuite, featuring a soaker tub, walk-in shower, and dual sinks, all finished with modern neutral tones, quartz counters, and tile flooring. The other two bedrooms share a stylish main bath. But wait, there's more! The fully finished basement offers 12 ft ceilings, endless possibilities with space for a media room, game room, home gym, or man cave. Projector and screen already included! Plus, a 4th bedroom and full bath are ready for guests or older kids to have their own space. Step outside to enjoy your private east-facing backyard, backing onto hole 1 of the golf course (no need to worry about golf balls!) and kitty corner from the Clubhouse! Enjoy a round, grab a bite to eat and watch the sunset only steps from home! The fully fenced yard is perfect for family fun, featuring a deck, two exposed aggregate patios, and plenty of green space for kids and pets. And you'll never have to bother with Christmas lights again, thanks to the permanent LED lighting. Last but certainly not least, a 3-car garage awaits, complete with a gas hook-up for a heater—so you'll be all set for the winter months.
