Discover this adorable bungalow in excellent condition, perfectly situated on a generous 10,000-square-foot lot. This home has been thoughtfully upgraded over the years, offering modern comforts and timeless appeal. In 2016, the main floor was fully gutted and remodeled, featuring a sleek modern kitchen with loads of white cabinetry, arborite countertops, and stainless steel appliances—including fridge, stove, and dishwasher. The bathrooms have also been updated with new fixtures, including a toilet, sink, an attractive tiled tub/shower combo with stylish vanities. You'll enjoy new vinyl flooring in the kitchen as well as easy care flooring throughout, a knocked-down stipple ceiling, and a wood-burning fireplace in the spacious living room that was cleaned and inspected in 2017 (currently unused). The home's structural and mechanical systems have been well-maintained. The shingles are only a few years old, the furnace was replaced in 2015, and the hot water tank is newer, ensuring efficient operation. The mostly unfinished basement has been drywalled and offers a blank canvas for your future ideas and development. It's ready to be customized to suit your needs.
