OPEN HOUSE SUNDAY JUNE 15 from 11-1PM \*\* This is not your average inner-city listing, with beautiful finishings and quality craftsmanship this Marda Loop home is a gem. Welcome to a property that quietly outranks the noisy competition. A walk-out in Marda Loop, built in the early 2000sâ€”when trades still showed up, materials still mattered, and builders didnâ€™t cut corners behind drywall. Real wood, not particle board. Actual craftsmanship, not just gloss and builder's standard. While todayâ€™s builds often lean flashy and hollow, this one offers something far more valuable: structural integrity, thoughtful layout, and long-term value. Itâ€™s been upgraded without erasing its soul. Natural light moves through the home in all the right places. The kitchen and living areas are designed for actual livingâ€”not just photos. Bedrooms are generous, private, and positioned with purpose. The walk-out basement? Itâ€™s finished, permitted, and rentable. Even income-generating without sacrificing privacy. Step outside to a beautifully reimagined deckâ€”spacious, sturdy, and built for late summer nights or quiet morning coffee. The private, fully fenced yard offers room to garden, play, or simply disappear from the world for a while. Tucked at the back, a large detached double garage adds convenience, security, and space exactly where you need it. Living inner city Calgary is all about vibrancy, lifestyle, being seen and enjoying life. If you want amenities, you better believe Marda
