Residential on 0.17 Acres

NONE, Taber, Alberta

Great affordable family home. This bungalow hosts 3 bedrooms on the main floor, large eating area in the kitchen, nice separate living room and a 4 pc bath. The basement is finished and currently has one bedroom, however there is a large storage area that you could probably convert to another bedroom, plus a 3pc bath and a huge family room that the everyone can all gather in. Outside you will notice that not only is there a small front deck but also a covered deck overlooking the large back yard AND let's not forget the 20x24 garage. It's located a couple blocks north of schools and the mini mart. Plan to visit!

Built in 1975
