5 Bedroom, 2.00 Bathroom, 1,289 sqft

Residential on 0.09 Acres

Varsity Village, Lethbridge, Alberta

Whether you're a first-time buyer with big dreams, a hammer-slinging handyman, or an investor hungry to expand your rental empire, this 5-bedroom, 2-bath, 4-level split is here to fulfill your vision. This home can be a move-in ready if you're into that cozy, pre-loved vibe, or it can be the perfect canvas for a HGTV-worthy facelift if you've got a vision. We've priced it under \$350,000 because, frankly, there are a few charming quirks and unfinished tasks we've generously left for you (you're welcome). The 4-level design means everyone gets their own space: teenagers can sulk undisturbed, in-laws can visit without overstaying, and you can binge Netflix without hearing someone yell "Where's the mayonnaise?" from the kitchen. Outside, the yard's got a swing gate for all your oversized ambitions like building a massive hobby shed for your tools, ATVs, or that hot tub you swear you'll use more than twice. Or skip all that and turn it into a Pinterest-perfect garden green space to read a book in and relax. And remember: stand-alone homes on the west side of Lethbridge are rarer than a calm day at IKEA. Don't let this one get away. So, if you've been waiting for a sign, consider this it! Book a showing ASAP with any lovely agent so you don't miss this opportunity!
