Finding a true family home like this is rare â€" a spacious 5-bedroom bungalow with 3 bedrooms on the main floor, a heated triple attached garage, and a park directly out back. Nestled in a quiet, family-friendly neighbourhood just minutes from schools, playgrounds, and local amenities, this home blends comfort, functionality, and a fantastic location.

Step inside to a bright and airy main floor, where high ceilings, hardwood floors, and abundant natural light create a warm, welcoming space. The refreshed kitchen is designed for everyday family living â€" crisp white cabinets, Brazilian granite counters, new backsplash, and newer stainless steel appliances make cooking and entertaining effortless. A double-sided gas fireplace connects the living and dining rooms, offering a cozy gathering space for busy weeknights or special celebrations.

With 3 bedrooms on the main floor, including a flexible room perfect for a home office or nursery, the layout works beautifully for growing families. The primary suite is a true retreat with a renovated ensuite featuring a soaker tub, walk-in tiled shower, granite counters, and a walk-in closet with built-in organization. A refreshed main bath and convenient main floor laundry make daily routines a little easier.

Downstairs, there's even more room to live and play. A dedicated theatre room sets the stage for movie nights, while a large rec room offers space for games, hobbies, or family gatherings. Two additional bedrooms and a full bath create comfortable accommodations for teens, guests, or extended family.

Practical updates make this home truly move-in ready â€" new central air conditioning (2024), a new hot water tank (2025), and freshly cleaned carpets throughout.
