Residential on 0.15 Acres

Westmere, Chestermere, Alberta

Weâ€™re excited to present this amazing family home Chestermere! Set on a stunning corner lot that offers exposure to the east for morning sun, south for mid-day sun and west for those gorgeous sunsets, all while taking it in from your covered hot tub. The home features 3 spacious bedrooms and 3.5 baths across 1,967ft² above grade. The open concept main floor has natural light bouncing throughout, and the hardwood floors along with granite counters and stainless-steel appliances give this space a cozy energy and warm feel. The fireplace and additional windows are a bonus, and the dining nook brings the design together, so you have room to grow and host. Upstairs, youâ€™ll find a big primary bedroom with a walk-in closet and a 5-pc ensuite with a big soaker tub and walk-in shower. The bonus room is set at the front of the house, so you can enjoy an above grade rec space to be used how you see fit. There's also a balcony access off of the bonus room for additional outdoor space and sunlight. The basement is fully developed with an office/den and a big wet bar equipped with a dishwasher, sink and beverage fridge. The yard is big, private, and extremely well taken care of, and aside from the hot tub and hard top gazebo, you also have a gas line for your BBQ, a gorgeous apple tree and raspberry bush. Youâ€™ll love the space and flexibility! Other features that will set this home apart are the Gemstone lights, a new 50 gallon hot water tank (with 12 year warranty) and central

air conditioning. The roof was done in 2020, so the big-ticket items are all taken care of, meaning all you have to do is move in. The access to Calgary is as good as it gets from Chestermere and youâ€™re still close to Chestermere Lake, schools, groceries, and everything else the city has to offer. Weâ€™d invite you to come on out and see it for yourself, weâ€™re always happy to accommodate your showing needs.
